Tata Crucible Campus Quiz rules

- There is **no entry fee**
- Each team would comprise of two full-time students from the same institution
- Team composition cannot change once the prelim has been taken
- **Any number** of **teams** from the same institution can take part in the quiz
- Teams can participate only from the city where the college / institution they represent are located
- If a team is from a city where the event is not being held then the closest city (by geographic distance) would be the location of participation

The quiz maybe challenging, but the format is simple:

- The participating campus teams will go through a **preliminary written elimination** round at a common venue
- The **top four teams** from the written prelims will qualify for the regional stage rounds
- If there are large numbers of teams participating, two more teams will be selected from one or two wild card rounds. The rules for this will be explained by the quizmaster at each venue. In all, **six teams** will make it to the regional finals, four from prelims round and 2 from wild card
- The regional winners from each of the cities will participate in the Zonal Finals in their respective zones
- The top two teams from each Zonal Final will participate in the National Finals
